

Otway Glow Show

be a part of something magical

Dear School Community, family and friends

You are invited to be part of the magical **Otway Glow Show!**

The Glow Show Parade

Taking place at **Melba Gully**, Melba Gully Rd Lavers Hill VIC 3238,

Friday 19 June

4.30 for 5.00 start.

Apollo Bay Arts Inc has generously supported a student elective at Lavers Hill K-12 College to make lanterns for the parade, and a felted glow worm environment to be unveiled as part of the warming soup supper in the college foyer after the parade. Come along and support this great initiative and the fantastic creations of all the children involved.

Dress snugly. Beanies, gum boots and waterproof coats recommended!

RSVP with Julia Malcolm, Community House Coordinator jmalcolm@swarh.vic.gov.au

To build on this initiative we invite you to bring your family and friends along to take part in a **Community workshop** to create part of a cane and tissue meandering glowing sculpture celebrating our world-famous glow worms and join communities from Lavers Hill, Forrest, Gellibrand, Apollo Bay and the wider Otway's in this early evening Winter parade at Melba Gully, where your special component will join all the others to form a giant illuminated art work in the Otway Glow Show

Thanks to Regional Arts Victoria we have the opportunity to work with acclaimed community artist Angie Russi, and local artists Sue Ferrari and Irene Pagram to let our light shine out in the Otways.

Glow Show Workshops

Lavers Hill P-12 College, 10 College Drive Lavers Hill VIC 3238 10am to 4pm
