Student Engagement Awards

As part of our developing Student Engagement Guidelines students are being acknowledged for their positive actions in the College. Awards are given each Monday to a Secondary and Primary students. They are received for a range of actions, including:

- Helping others
- Being Supportive
- Being well organised
- Showing leadership
- Representing the College

There is a quite an amount of excitement as we draw the students names at the Assembly. The winners of the first draw were Matt and Tai.

Students are enjoying having their positive behaviours recognised and it is a pleasure for me to hear of how they are contributing to the College. This is definitely helping to strengthen the friendly, supportive and co-operative nature of our school. The students have also suggested awards for teachers to be added to the Monday morning assembly.

Looking forward to seeing you this Friday night for ‘Sleep Rough Tonight’. Please do feel welcome to come for food and music, or to make a donation to this worthy cause.
