

Community Fun Run

On Thursday 16th February there will be fun run at school which has been organised by Years 7/8 students to promote fitness, being together as a community and supporting students who are doing difficult but worth-

while things.

During period one the years P-4 students will run. Years 5-8 students will run along-side them for support. The course is very manageable.

In period two the years 5-10 students will run a lengthier course.

Please wear sports uniform, hat, comfortable running shoes and bring a drink bottle and be ready to join in the fun!

PRE-SCHOOL NEWS

We are loving our new space down at kinder! We have been busy painting and pasting to create some fabulous works of art to decorate the walls.

It's also been construction galore with lots of building happening inside and outside. We've built everything from cities, to roads, animal houses to rockets!

This week we had our first swimming lesson at the pool! We went duck diving for toys, horsey racing on noodles and kicking across the pool, it was so much fun.

This term we are also lucky enough to be doing music with Mrs Doherty at the school. We have been learning all about rhythm and beat, like the beat of our heart.

This fortnight we will be looking at identity and our self image. We will be starting back up the "ME Bag" giving children the opportunity to bring in special things from home that helps us learn all about them.

We have several new families joining us at kinder this term. We would like to welcome Georgie, Alex, Gypsy and their families to our kinder family! Welcome to Lavers Hill.

The 2017 house swimming sports was a great day. We witnessed great successes in the pool across all age levels.
