

Family Violence Awareness Talk at the College November 25th @ 1.30pm

On November 25 our very own Ray Doensen will present on behalf of the Family Violence Unit to raise awareness for Year 7-12's. He will speak about the policing of family violence, strategies to prevent violence and there will be opportunities to ask questions.

Secondary students will be involved and parents and community members are invited to attend. If a younger student would like to be involved with their parent present please contact the School Office.

On the day white ribbons will be available to show support for the Nation Wide White Ribbon day. Do look at the website for further information. As Jimmy Bartel from Geelong said often this year, our aim as a school is to allow important conversations to help understand this issue.

We appreciate the support from Ray, our local police officer and our local community for their efforts to raise awareness around this day.

PRE-SCHOOL NEWS

It was great to see the sun out this week so that we could take the inside program outside. The girls enjoyed doing some cut and paste and creating some colourful

hats for their mums. We also ventured over to the school play ground for some running, climbing,

sliding and rolling down hills.

Alexander and Marshall arrived at school with big smiles on their faces ready for their first morning at school. It was great to see them so enthusiastic and comfortable in the school setting. The school children were also very welcoming and eager to help the future preps.

We would like to welcome our new Kinder teacher for next year, Rebecca McKenzie, Bec will visit in mid December to get to know the children, their families and watch the program in action. Natalya will also be joining Bec as the preschool assistant, congratulation to both of you.
