Course counselling and our Senior Pathways information session are being held this week. This is an important process for our students and an important time for them to be talking with parents and teachers as they explore possible future pathways.

Music is a welcoming part of our lunch times. Thanks Luke for your songs.

Parent-Student interviews were also held this Tuesday. If you were unable to come in at this time please arrange another time with teachers or communicate by phone or email. This is a valuable step in maintaining good communication between home and school.

Welcome visitors to the Principal’s Office.
I am fortunate to be a member of the ‘Teddy Club’ along with our very friendly kinder and primary students.

College Strategic Plan 2015-17.
The first step in developing our plan is an evaluation with feedback from parents, students, teachers and our local community. We then bring this feedback together and outline key areas to develop for the Strategic Plan. School council met to reflect on the '2013 parent survey' and we had an excellent discussion exploring a range of topics including ‘learning interests, homework, wellbeing, cyber challenges and buddy programs.

Primary News

As part of our inquiry learning this term the focus is on endangered animals-

Last Thursday Maria came to our school to show us some photos and talk about her job. Maria works as a reptile keeper at a zoo in Ireland. She talked about some interesting animal facts. She said that when snakes shed their skin they shed an eyeball layer as well because snakes have skin on their eyes.

GOING ON TOUR

The Ewert’s went on tour last week and it sounds like it was a HUGE success. Congratulations Kirsten! Here is Chloe’s recount of her tour.

I went to my grandmas, Robbie’s and my grandpa Grumps place. I went to schools. I liked the schools and the schools liked the animals. There was lots of animals. There was a baby
wombat, everyone loved the baby wombat and the baby koala. Lots of people wanted to hold the snake around their neck. People held the lizards after they held the snake. The teachers had to tell the children only once to do something. I played with bamboo at my grandmas.

Star of the Week

Congratulations to the following students who were awarded ‘Star of the Week’

- XAVIER BUBICA-SMITH, JACK FALLON & DEAN CONSTANTINU - Were awarded the ‘Three Musketeers award’ as they were the only 3 students in Miss Ferrari’s class on Friday.

Pre-school News

This week at kinder we have been making lots of animals that begin with the letter ‘s’, like snakes, spiders and snails. Playing doctors and looking after the dolls have continued to be very popular. We’ve also done some exploring with scales, seeing how they work and putting different things on them.

We are excited to announce that we are running playgroup again. Everyone is welcome from babies to kinder students. More information and enrolment forms are available from the College office or the Pre-school. Playgroup will be on Wednesday morning’s, we hope to see you there!
