Student Progress interviews are a great success at the College.

We have had an excellent afternoon this Tuesday with over 40 parents coming along for interviews. This is a valuable chance for parents and teachers to get together and reflect on our students’ learning progress.

National Day Against Bullying and Violence

Last term my partner and I did a bullying project and a bully stoppers day with Marni. We wrote a little speech for the day and prepared a video about bullying and how it affects people. On the day we had a Special Assembly with speeches and also a whole school Values activity. Students thought about and added Values to a brilliant and colourful collection of orange balloons.

The summary of the Values is now displayed on the noticeboard opposite the Canteen. The day’s activities then concluded with a sausage sizzle and sold wrist bands. Our project is one of a few other Social Justice projects that students are working on at the College. Others include, World Peace, preventing child labour, respect for women and supporting refugees.

Students will have the opportunity to attend any of the 156 seminars available to them with topics including VCE subjects, subject selection, gap year options and course career and study advice. Universities, TAFES and large industry organisations across Australia and New Zealand will be exhibiting providing valuable resources and information to individual students. Career Development is the current focus of our MIPS program. The Expo is huge and it is important that students are well prepared so they maximise the opportunity to collect good information. Swimming Lessons are Launched

Private swimming lessons have begun this week on Tuesdays and Thursdays

There have been a great number of enrolments this year. Swimming is an essential skill to learn for everyone, especially being so close to the coast and many different water bodies.

We are still accepting enrolments if anyone is interested in getting their children into the program. 😊 From Tilly

If you are interested in swimming lessons please contact the College Office. On 52 373 213

DONATIONS

The P-4’s as part of their Buddy Program are looking at doing some work in the gardens where all the bushes were pulled out due to our fire audit. We have decided that we would like to do some mosaics on the wall to make it more of a ‘happier place’ and to plant some flowers and small plants in the garden.

To complete this project we are looking for donations of tiles that we can use as well as any plants/flowers. If anyone is interested in being involved in this project on a Friday afternoon please contact Miss Ferrari or Miss Speirs.

Pre-school News

We are very excited to have 4 new three year olds starting at Kinder. They are having lots of fun excavating, painting and building sand castles, race tracks and train tracks. This adds to our 4 fours year olds and add a nice gender mix.

Our wonderful imaginative and supportive 4 year olds are Morgain, Alyssa, Adele and Cameron and they have welcomed Rylan, Amelie, Leo and Eli.

We are very fortunate to have dedicated and creative teachers in the Kindergarten. Natalia has done a wonderful job this year and we are very fortunate to have Mishelle in her second year at the Kinder.

THE ENTERTAINMENT BOOKS HAVE ARRIVED!
For the past 8 years The Entertainment Guide has been used by families in the Otway’s and around Victoria to support the Lavers Hill P-12 College Student Foundation.

The Student Foundation supports young people in our College to take up extraordinary opportunities. It has been a strong supporter of the Gold Duke of Edinburgh Award Global Expeditions program assisting students to have experiences in Nepal, Borneo, Vietnam, India, South Africa (3), Tanzania and Australian experiences such as the Young Endeavour. The Foundation has also supported young people in elite sport such as the Downhill Mountain Bike racing World Championships in Canada.

The Entertainment Guide is produced to cover all states. The popular editions that we have available in print are:

Geelong and Ballarat $55
Melbourne $65

Staff members have also used interstate editions and found them to be fantastic. The Entertainment Guides are great for families, students, older people, travellers and fantastic when planning holidays and school holidays.

The Entertainment Guide can be either in print or digital. Both are the same cost. The digital copy has the added advantage of you being able to have offers available to you when you are in a specific location. If you are in a suburb in Melbourne your app will tell you what restaurants are linked to your Entertainment Guide and what their menu is.

The Entertainment Guide provides highly discounted air fares, accommodation, restaurant fine dining, café and takeaway dining, events and attractions, shopping.

You can purchase your printed copy from the College Office or use the attached brochure to order your digital version
