---

**Primary News**

**NUDE FOOD**

A reminder to primary students that you can get your name placed in the Nude Food Box everyday if you have a wrapper free lunchbox (ziplock bags are an exception). A winner will be drawn each Friday for a canteen voucher. Lunchboxes need to be shown to the Nude Food Inspector at recess only.

**CAMP**

We would like to wish Mr Fitz, Tilly and the 3/4s all the best for their camp to Queenscliff, we can’t wait to hear all about it when you get back.
CHILDREN’S WEEK

The kinders, together with Prep/1/2 are very excited about their excursion to Colac this week to take part in some fun activities at Colac’s Neighbourhood House. We will leave school at 9am and should return by around 2pm.

TRANSITION DAY

This Friday (24th October) the preps for 2015 will be joining the prep/1/2s for their first half day orientation, we are very excited to have them joining us.

STAR OF THE WEEK

This week Ella Brauer has been awarded Star of the Week in grade 3 & 4 for her constant smile and steady effort in reading a lengthy library novel, Emily Rodda’s “Wizard of Rondo.”

SOCIAL MEDIA.

There was an article published in last Friday’s Colac Herald titled ‘Social media warning for Colac pupils’ it had some very interesting points that we as adults should be aware of in regards to keeping our children/students safe. Some sites that were mentioned included;

- KIK Messenger – which has a 17 years and over age restriction
- Instagram – which has a 13 years and over age restriction
- Snapchat – which has a 13 years and over age restriction

HEADLICE

We have had some reporting’s of headlice. Can parents please check your child’s hair and treat if necessary. Students are not allowed back to school of pre-school until they have been treated. Thanks
Years 5 and 6 students have been working on individual projects. They chose their project because they felt passionate about the subject. Skye wants to be a teacher when she’s older and her project was to develop two writing lessons to teach the Years prep, one and two students. This photo shows Skye teaching the students a lesson about ‘Information Writing’. The following are some comments from the evaluation written about Skye’s lesson.

*Well done Skye, this session was well planned and very well executed. You are very aware of all the students’ needs and adapted your questions and prompts to match the wide range of abilities across the class, while managing to encourage respectful turn taking and class responses. It was a thoroughly professional teaching session. Eve Hiland*

**Pre-school News**

This week at preschool children have enjoyed playing at the playground and have been getting better at climbing on different pieces of equipment. Children are enjoying listening to stories. One about a train has been very well liked.

Swimming has continued to be very popular each Monday. Children have been practising floating and gliding and have been working on their kicking.
**Sleeping Rough Is Tough Night**

For the last term, my amazing team of year 5 and 6 students and Tom have planned and co-ordinated a project. The team had four goals; to connect with our local community, to run a community project from start to finish, raise awareness of what it is like to be homeless and to fund raise at least $1,000 to buy Street Swags for homeless people.

After the ‘Sleeping Rough Is Tough’ night which was held last Friday, the group evaluated the project. Below are some of the comments made by the team in the evaluation.

‘The people who slept rough definitely learned what it was like to be homeless.’

‘We made presentations at meetings and assemblies’.

‘We ran our organisation of the project to a timeline and we stuck to it.’

‘We advertised in the Otway Light and Alison wrote an article in the Colac Herald.’

“We estimate more than 70 people attended.’

‘We had heaps of community helpers.’

“Our School Council helped and so did our Parents Club.”

“We almost tripled our goal for fundraising.”

The students felt they were very successful running the project. We would all like to thank everyone who helped us in this project either; donating, collecting, helping us cook, helping us get the word out, entertaining us on the night, donating food for the event and attending. Special thanks must go to the brave souls who slept on the ground over- night.

We raised $ 2,909.50 which will give 36 people who live on the streets a more comfortable place to sleep.

Anne O’Sullivan

*Photos coming in next newsletter.*
Whose Team are you on?
Team captains are chosen, the gloves are off. It’s time to choose a team and decide what you can give. Will you come to a free workshop on a Thursday morning to learn some cooking skills? Will you provide local food from your garden or farm? Will you come and judge the food on the day? Bonus points are given to teams for each community member involved and each locally sourced ingredient used.
Presents:

Single Mums Parenting Boys

A 4-week program for single/solo mums that looks at the challenges of raising boys by oneself or being the primary care provider

Raising boys to be good men can be done successfully even as a single/solo mother.

This program will teach you how to not only raise respectful, well mannered boys but will also help you as a parent to feel more in control and confident in doing it alone.

Note: Places are strictly limited so registration is essential

- Items can be purchased from school, or independently (e.g. from Target, Best & Less, Hip Pocket)
- Items purchased independently must be of correct style and colour
- Items purchased through school will be branded with logo, where possible
- Items purchased independently from Hip Pocket can also be branded with logo
- Items purchased independently must be free of non-Lavers Hill College logos, branding or design patterns (e.g. stripes)
- To ensure consistency, items indicated* must be purchased via the school

Lavers Hill College School Uniform – FAQs – 2014

Do I have to wear school uniform?
Yes, school uniform of the correct specification is compulsory for all students. Students who join Lavers Hill College from other schools are permitted to wear their old uniform for a maximum of one semester, until they are able to source the correct uniform.

When should school uniform be worn?
On school premises and on official excursions (unless exceptions are made by staff).

What if I get cold during the day?
You can wear fleecy vests, jumpers, sweatshirts, hoodies or blazers of the appropriate type & colour indoors.

What about hats?
The wearing of hats or hoods is not permitted indoors. The wearing of wide-brimmed or buckets hats outside is compulsory in Terms 1 & 4.

Do I have to purchase school uniform from the College?
No, you can source uniform from anywhere but it must conform to the specification, and must not have non-Lavers Hill College logos, other branding, or design patterns such as stripes. Uniform purchased through the school will have the Lavers Hill College logo, where possible, and will be sourced from suppliers who we think sell quality & durable items. To ensure consistency, items indicated* must be purchased via the school.

What about footwear?
We would prefer black shoes, but whatever you wear must have non-marking soles. Definitely no gumboots, thongs or Ugg boots indoors. When representing the school at external events, shoes must be black or neutral colours.

What are the penalties for not wearing the correct uniform?
See the Student Engagement Framework.

Why is Lavers Hill College so strict on uniform?
It's not. Compared with other schools in the district our uniform specification has more options, is more relaxed, and its implementation is more flexible.
REVISED CANTEEN MENU (HELD EVERY SECOND THURSDAY) STARTING 16TH OF OCTOBER.
