Welcome back to our Spring Term.
It has been a bright and vibrant start to the term. We hope you have a great vacation and that we are all ready for a most productive and engaging Term 4.

Our Year 12 students and teachers are very focussed in their preparation for upcoming exams and we wish them ‘clear minds, strong memories and a steady, relaxed and strong disposition’ as they excel through this challenging time.

I would also like to thank our Year 12s for being such fine leaders and role models for our College. As they focus whole heartedly on their studies we realise just how much we will miss their leadership and presence next year, and how, in turn we look forward to our new leaders stepping up in 2016.

Early Term 4 is a good time for parents to catch up with teachers in regard to students’ progress in their learning. If you would like to make a time to meet or talk on the phone please contact your teachers. Each Learning Community is arranging for this contact in a way that best suits the needs of parents. Teachers will have form of booking or planning that is available to parents and students.

We are looking for the most flexible approach and the most effective way to involve students in reflecting on their and setting goals to ensure they complete a fine year of learning in 2015.

Developing the College Mission, Vision and Values.
Monday October 26 from 2.00-3.00 am or Tuesday November 3 from 6.00-7.00 pm
Each four years the College has an opportunity to further develop our Vision.
This is a great chance for community members and parents to help contribute to the future vision and planning for the College. Aspects of the vision include the Outdoor Learning and Leadership Program that Council has been developing was a vision of John Angels’ back in the 1990s. We are also exploring opportunities to holds Conferences in the Otway’s and strengthen our profile. Most importantly, we are looking at what is the most engaging approach to learning that will ensure our students all becoming lifelong learner.

Staff and students are also working on their Visions and we will then bring together the various versions to come up with the College Vision for 2015-2018.

We have 2 times for you to be involved (see above) so please do come to one of these if you can.

“The Lavers Hill K-12 College mission is to provide every student with the best possible education in a warm, caring, secure environment in which we develop the students’ self esteem and provide programs that address the students’ individual needs and ensures they attain their full potential.

- this newsletter can be viewed on our website www.lavershillp12c.vic.edu.au
Electives for Term 4 are up and running for students from year 3 to year 10. We have a fine array of options including: Garden Club, Theatre, Woodwork and ICT. Things were humming along yesterday with all our students engaged and enjoying their first Wednesday afternoon. Can I would also like to extend an invitation to parents and community members to come in and be involved, and to also consider offering an elective for 2016. Wednesday afternoon is a great time as our school is already very connected with our community through the wonderful and widely recognised, Cert 3 in Visual Arts.

Over the vacation the woodwork rooms was cleaned and refurbished. Plans are underway to also renew all our equipment and tools and ensure we have a great space for many future technology projects. Thanks to Peter and the students who have been very patient while this work has been completed.

…… Just a few snaps from Halloween day !!!

Andrew Kohane

FUNDRAISING

We are holding a toy fundraiser through Education Experience as our College fundraiser. When you purchase something from this catalogue our college will receive 20% in learning vouchers if you nominate Lavers Hill K-12 College when ordering.

This fundraiser will run until the 1st of December, after that your orders won’t arrive in time for Christmas. You can order via online or by using the form in the back of the catalogue.
Happy Shopping!
